

Call for Session Proposals

Home Efficiency Forum 2018 is now accepting session proposals. This is your chance to lead a 75-minute session and share ideas with your peers around this year's theme: **Building for the Future**. If your proposal is selected, you'll receive a discounted registration rate of \$250. All energy efficiency professionals are invited to submit session proposals **by June 29**. We'll respond to submissions by July 24.

How to Submit a Session Proposal

Email the following information to info@BetterBuiltNW.com.

- Session title
- Session description (one paragraph of 200 words or less)
- How your session relates to the 2018 conference theme: Building for the Future
- Audience experience level: Basic, intermediate or advanced
- Session format: Presentation (1—2 people speaking), panel (2—4 people speaking) or workshop (interactive)
- Presenter name(s), title(s) and company(ies)
- Presenter bio(s) (150 words or less)

About the Conference

Home Efficiency Forum is an annual event, brought to you by BetterBuiltNW, that brings together Northwest building professionals of all kinds to discuss and advance energy-efficient building practices in residential new construction. This two-day event offers trainings, networking opportunities and the chance to shape the future of residential building practices.

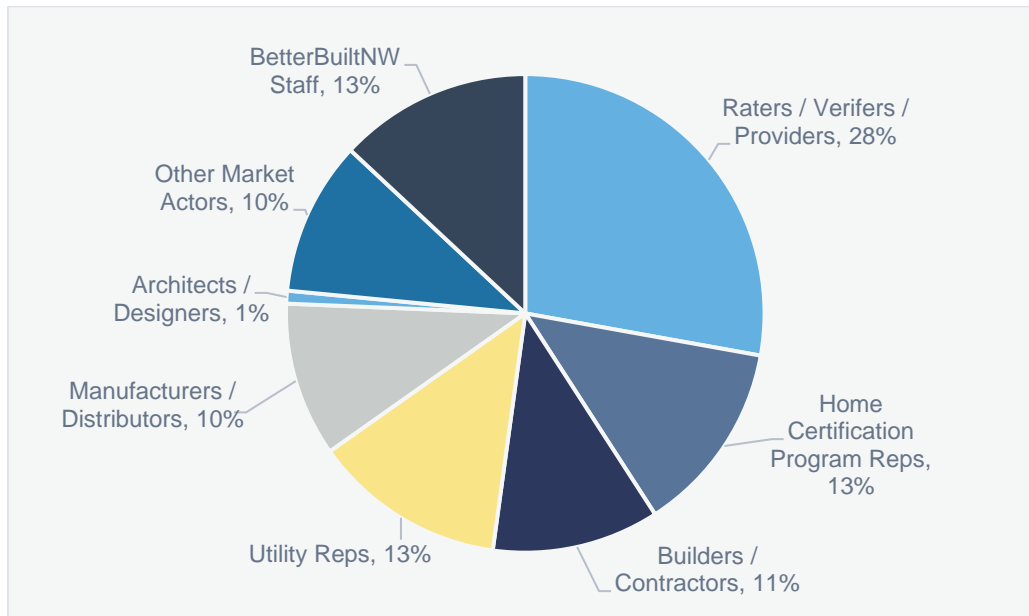

Dates:

- October 10, 2018: Optional field site visit
- October 11—12, 2018: Sessions and networking

Location: The Grove Hotel, 245 S. Capitol Blvd., Boise, ID 83702

Audience

*Home Efficiency Forum 2017 attendee composition

Registration

- **Early Bird Rate:** \$350. Save \$100 and register by August 31.
- **Standard Rate:** \$450. Register September 1—October 1.
- **Note:** If you are an Energy Trust of Oregon Trade Ally, please email info@BetterBuiltNW.com with your name, email address and company name to verify your status and to receive a registration promotional code. You can use Energy Trust of Oregon's training incentive funds for reimbursement for the conference registration fee. You can email eps@energytrust.org to request the application for training reimbursement or it can be found on the verifier website, <https://www.newhomesverifier.com/resources>. Complete the form and email it to eps@energytrust.org.
